WHO WE ARE

A Hashtag, symbolised through the #tag sign is commonly used to organise peoples words and thoughts into easily identifiable areas, and help them be distinctive amongst the clutter and noise. Hashtag is a hub of energy and excellence, always striving to achieve the best performance levels for our clients. We believe every client has a right to get the most out of their marketing investments and the highest quality of service.

WEB DESIGN & DEVELOPMENT

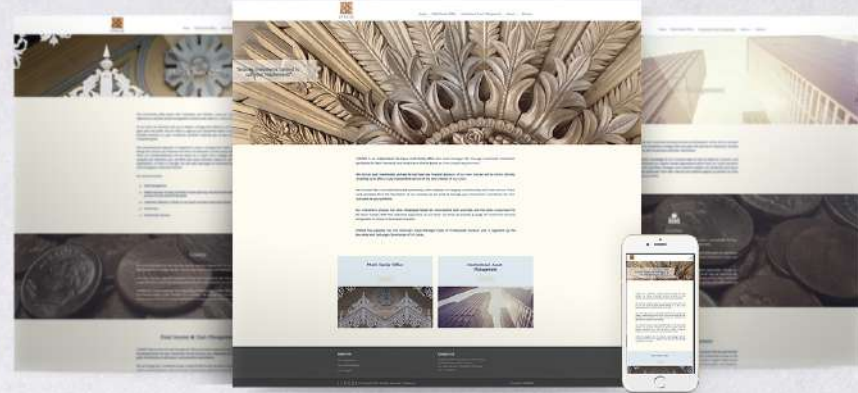

Hashtag understands the importance for organizations to have a Web presence. Therefore, we make it our priority to design and develop websites keeping in mind the needs of the user as well as achieving its business objectives. We aim to design and develop websites that are optimized for the best desktop and mobile experiences.

We are available when you want to add a new site feature or need help keeping your site current.

PUBLICATIONS

We can help you to tell your stories in the most compelling way by offering you the total package including creative writing, organizing information, designing and laying out of pages, editing and proof reading your publication, be it a magazine, journal, coffee table book or an online blog. We understand how tedious the process of putting together information can be and pride ourselves in being able to offer a hassle-free experience.
