SHAGUN PATWA

ABOUT ME

HR by profession, Designer by heart! It might sound strange, but that's what it is ☺

Coming from corporate and hospitality background, I have 7+ years of experience in managing and organizing everything in timely manner. This is the perfect blend of management and designing for handling any projects and meet the deadlines.

I am highly professional and passionate about designing, and looking forward to start the career as a designer. Currently pursuing B.Sc.Animation.
