

CURRICULUM VITAE

TEJESH VANJARAPU

Architecture student

I am a 21 year old architecture student from Hyderabad with a desire to learn about things around me.

My interests in creativity and hands-on learning started at a young age and has shaped who I am today.

My goal is to expand my design skills and knowledge in architecture at a professional level with belief in hard work and passion to learn, which make me a valuable asset of any team I work.
