CAREER OBJECTIVE

To obtain a career opportunity in a harmonial working environment where my skills, knowledge and abilities will be further develop, utilize and contribute to the growth of my individuality.

THESIS PROJECT

“HIRAYA: A PROPOSED CENTRAL LUZON STRATEGIC SCHOOL FOR THE VISUALLY IMPAIRED PEOPLE APPLYING THE CONCEPT OF BRAILLE SYSTEM AND SONAR ABILITY THROUGH ARCHITECTURAL SOLUTION”

In this study, it refers to the architectural design approach on how it will work in the entire building through to the occupants especially to the “blind” people by applying the sonar ability and braille system in architectural solution.

SKILLS
