TO WHOM IT MAY CONCERN

RE: ARNOLD MBUGUA KORI

The above named was attached at The Nairobi Hospital in our Information and Communication Technology Department from 14th September to 24th November 2014. He covered the following areas: -

- Desktop computer setup
- Software installation
- Software applications troubleshooting
- Computer hardware troubleshooting
- Printing troubleshooting
- Network connection troubleshooting
- Preventive and corrective computer hardware maintenance
- Systems user support
- Helpdesk support

During this period, Mr. Kori was hard working and cooperative.

We wish him well in his future career endeavors.

Yours sincerely,
For: The Nairobi Hospital
