

Landscape and design of the ground floor of a hotel in Iraq

The project assigned was to redesign the ground area and the landscape of a hotel located in Iraq, Erbil. The concept was to design a pool and a bar that covers the beach area and the wedding area additionally to a big plaza for festivity. In contrast, the kids and the family area was located near the water pond with some green area and gazebos all around the pond.

AREAS	ZONES	EQUIPMENT
BEACH AREA	POOL	BAR
WEDDING AREA	GREEN ZONE	SERVIECS
