PROJECTS AS :

**Full-time Landscape Architect/Designer**

in the Philippines

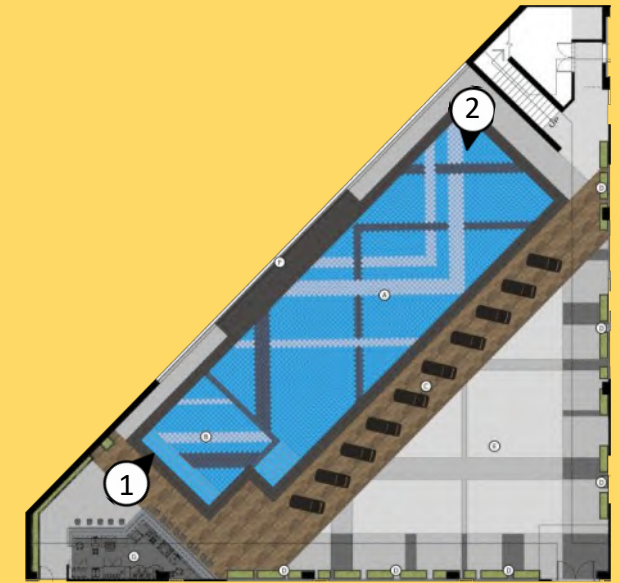

# ACACIA HOTEL DAVAO: Swimming Pool Area

designed by:  
ASLA Gardenia  
Construction, Inc.  
(2018)

**ACACIA HOTEL DAVAO** is a 4-star hotel located in Davao City, Philippines along J.P Laurel Avenue. This Hotel offers a luxurious rooms, restaurant, amenity areas such as fitness center and swimming pool.

### Achievement/Tasks:

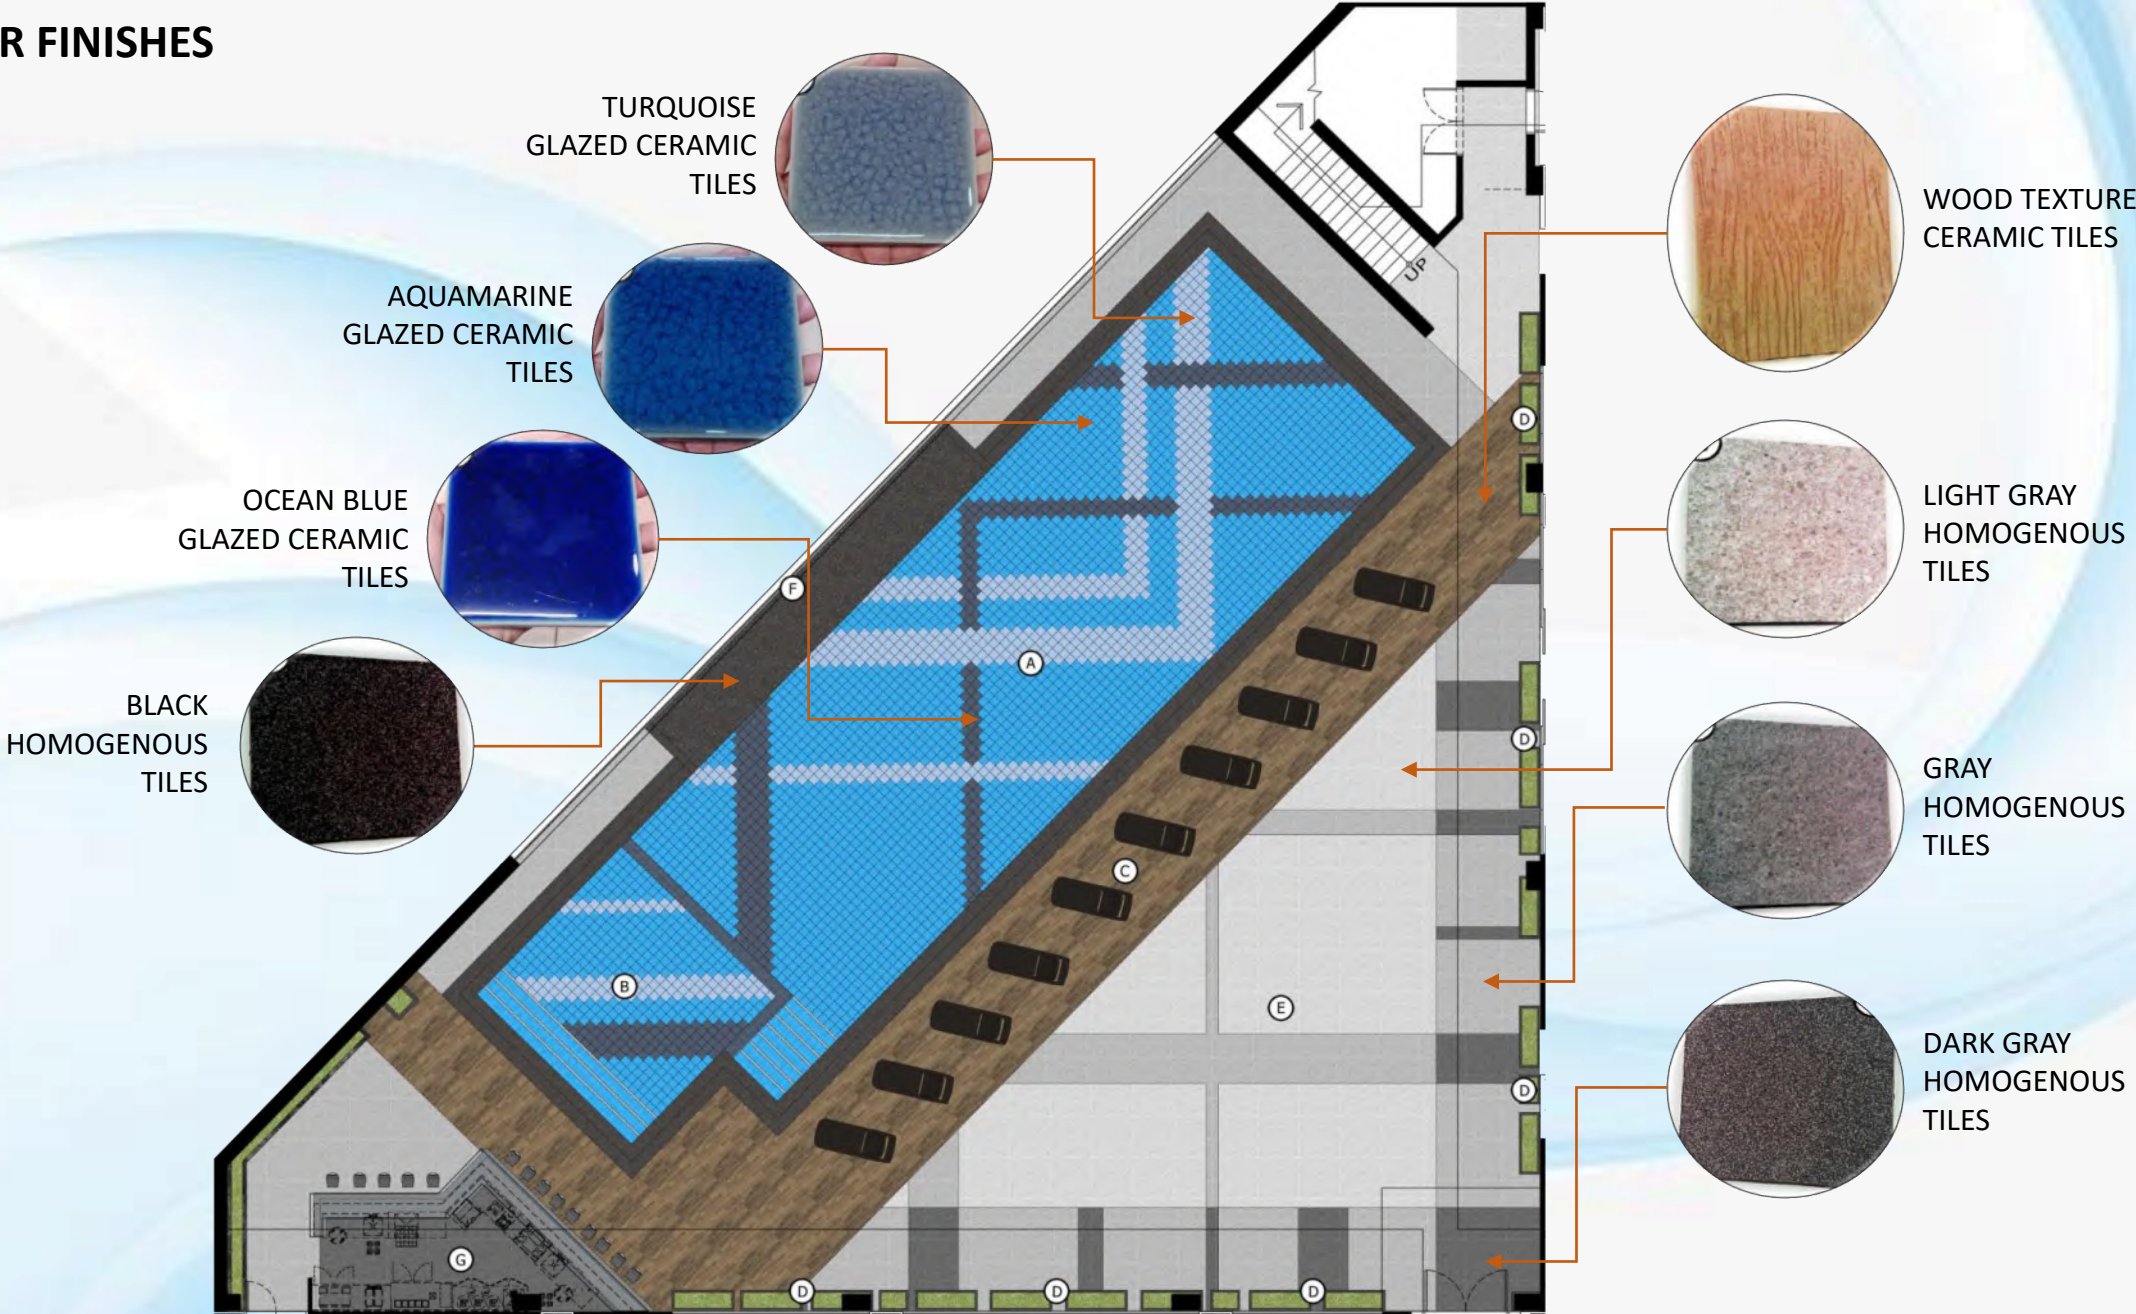

Our scope of design in this hotel are landscape design of ground floor driveway and swimming pool area. We provide the overall design especially on swimming pool area. The linear design accents of 3 different shades of gray tiles on walkways are suited and compliments with the Architecture of the building while the lounging area or the (pool deck) is dividing the main pool and open spaces, also we provide the design of water feature wall.
