Vessel International

Boutique Scandinavia

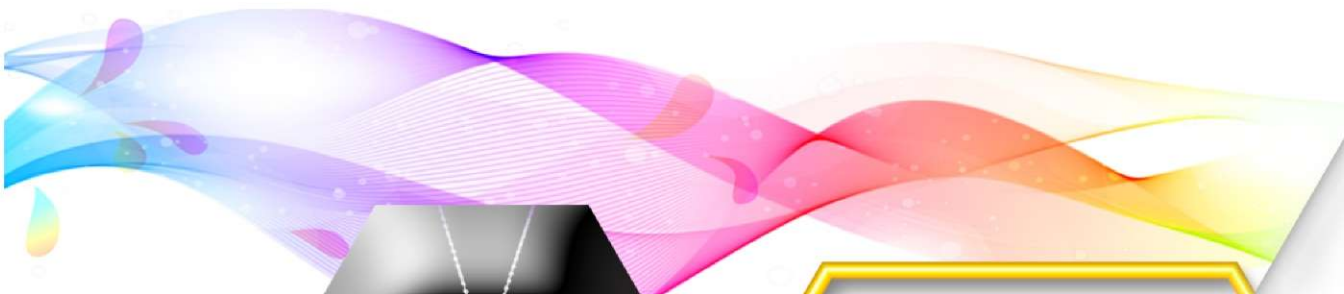

Boutique Scandinavia offers a wide variety of fine European sterling silver and Baltic amber jewelry. Featuring simple earrings to the most exquisite necklaces in silver, art nouveau or amber. Many works feature onyx, malachite, lapis, cubic zirconia and Swarovsky crystals.

Michou

Michou calls its jewelry "Art to Wear," and indeed each piece is a diminutive sculpture created with exquisite, one of a kind details: Tiny, gleaming hinges that move between fluid elements of filigree, granulation, scrollwork, or repousse, luscious 22K gold vermeil accents, vibrant faceted stones set against gleaming sterling silver, polished bright or brushed to a pearlescent finish.

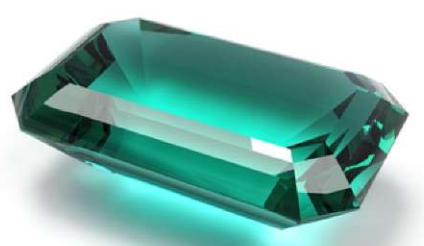

Prodesso

Prodesso's jewellery designs are inspired by art, nature and a variety of cultures from around the world. The stylish designs are created from silver, silver & gold fusion and semi-precious stones, and are born from the combined talents of company founders Hadass Gilan and Udi D'gani.

Deeply embedded in Prodesso's design philosophy is a passion and respect for the old arts. This is reflected in the use of traditional jewellery-making techniques side by side with updated technology, to achieve the resultant magnificence, detail, substance and warmth.

The pieces are all made inhouse to meet stringent quality standards, which means keeping control from the design stage to the finished product. either silver, art nouveau or amber. Many items feature onyx, malachite, lapis, colored cubic zirconia and Swarovski.

Claudia Lira

Claudia Lira is a prominent Peruvian design artisan with a passion for modern minimalism of high-quality 925 silver and 18K gold jewelry. Avant-garde designer Claudia Lira takes advantage of the rich minerals and natural stones from Peru and complement these with her passion for art and unique designs. Claudia creates fine modern jewelry with impeccable finish, employing precision and originally to enhance the natural beauty of Peruvian silver.

Vessel International

Vessel international is the leading source of high quality, genuine amber jewelry designs. Vessel international is recommended by the international Amber Association and carries its seal of approval on all of amber jewelry. All works are guaranteed as genuine Baltic amber. All Polish amber is approved by U.S. Customs.

Caredan

Prestigious Brazilian design presence, Caredan features world class artisan creations, entirely handmade utilizing classic goldsmith techniques and 18K gold. The Caredan artisans are dedicated to Rainforest resources and feature Brazilian gems like peridot, garnet, amethyst, citrine, iolite, turquoise, natural pearls, leather, timber, sisal and other organic elements.

Sabina Multer

Exclusively for Fashion Pond, The Sabina Multer Collection features one-of-a-kind artisan hand-made creations of polymer clay roses transformed into gilded pendants and earrings. Creators of this artisanal collection are sisters Tamar and Venus Hadar... naming their jewelry line for their grandmother, Sabina Multer of historical Lepzig. Both sisters have studied hand polymer clay... resultant in the beautiful life-like floral blooms that have become a signature hallmark of their collection. Their works also include Swarovsky crystals, freshwater pearls, corals and precious stones and delicate paillette beading.

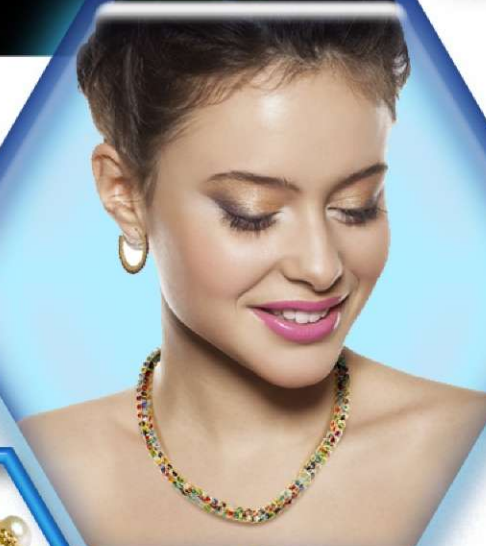

Out of Asia

The splendor and glamour of ancient Egypt artfully depicted in museum quality re-creations of ancient artifacts. Refined as only Thailand artistry can render. Actual fascimile recreations from the Museum of Cairo artifacts

Mysterium

The Mysterium collection was started in 1991 in new Orleans, Louisiana by Maria Ellefson. Since then the company has grown by leaps and bounds representing Poland's most prestigious jewelry artists. Maria personally picks from the artists' work to create a beautiful, cohesive collection.

Studio Autumn

The artisanal creative spirit within Studio Autumn is Autumn Hoffman, a designer of woven jewelry among other things knitted...from a life of wandering and travel, landscapes and cultures. The Studio Autumn collection includes gold filled 14K or sterling silver objets inlaid with precious stones, beauty and virtues, energy and minerals Swarovski crystals and other natural resources. Entirely artisan handmade of course. Unique jewelry designed for women who seek a unique feminine creative spirit. Studio Autumn can also assist in creating personal jewelry designs, including special orders for special events, bridal and other celebrations of life.

Paula Bolton

Paula designs all the silver jewelry herself and has worked with the same Balinese family providing ethical employment to local craftsmen for over 16 years. She works with many prestigious Museum & Heritage sites on themes including Art, Architecture, and Wildlife and her jewellery is now becoming collectable by discerning customers worldwide.

Rose of Jerusalem

"Rose of Jerusalem studio" was founded by Efrat-Shifrin-Salinger, an Israeli artist who has been a goldsmith and a jeweler for over 24 years. Her jewelry is sterling silver, 14k gold, or gold filled, combined with precious stones and semi-precious stones. All of Efrat's jewelry is handmade. Her work reflects her love of art and the natural beauty of gems. Her unique style is inspired by the magical location of her studio, Jerusalem, Israel. Her designs are original and colorful. "All of my jewelry are made with lots of love, high quality, and out of respect for my clients" -- Efrat
