about me

Hi! I'm Syed Uzair. A day time developer and self learned designer.

I calls my self a perfectionist and workaholic. As a perfectionist, I look into every small details and came out with some creative ideas. This approach helps me alots in learning Design and Developement.

As a workaholic, I'm result oriented person who never get tired by work whether I'm doing doing designing or development I simply enjoy my work as a hobby.

design is so simple.
that's why it's so
complicated.
