

Taha Tanvir

Architect And Visualizer

Intro

Hello there,
This is Taha. I am an Architect and a
passionate visualizer (Architectural and
lifestyle).

In 2012 I completed HSC from **Govt. rajendra College** and joined **B.arch** programme under the **school of architecture** from **State University of bangladesh**.

Career highlights

Interior designer

Beryl architects, Dhaka

March 2015 - July 2016

Freelance Visualizer

Dhaka, Bangladesh

2015 - 2020

Architectural Illustrator (Dhaka Team)

NormLi, Canada

August 2017 - September 2019

Portfolio samples

Great Gulf

The project was in Canada and the client wanted a Canadian fall vibe. I personally love this piece of frame

Beach House

A true coastal plot in Florida. The views are breathtaking and the design was done considering the environment. A lot of green and blue. Another personal favorite!

Studio Apt.

Bed rooms should be cosy! This was done for a studio apt. In UK

Cosy bath

Well a worthy shower! Two projects from UK and Germany. On the right, the bath area of a studio apartment and on top is family bathroom

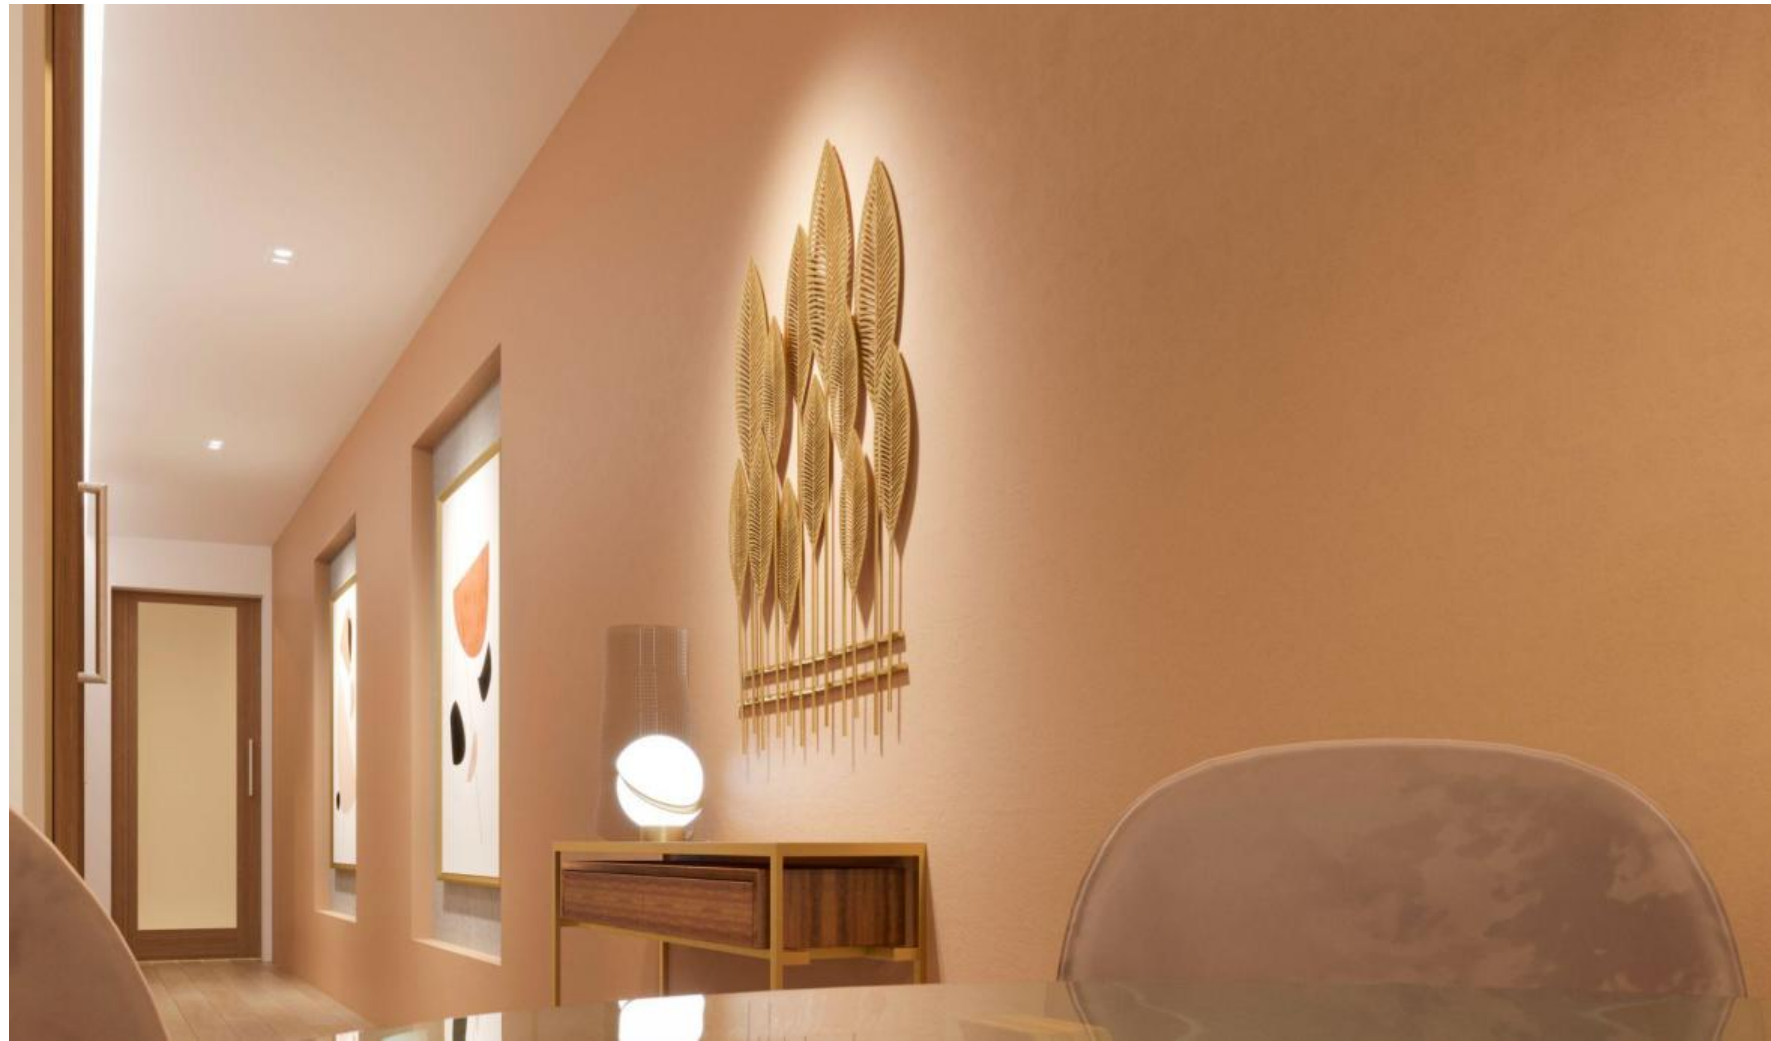

Interior Lights

I do experiment with lights a lot !

Mixed-Use Apt. Lobby

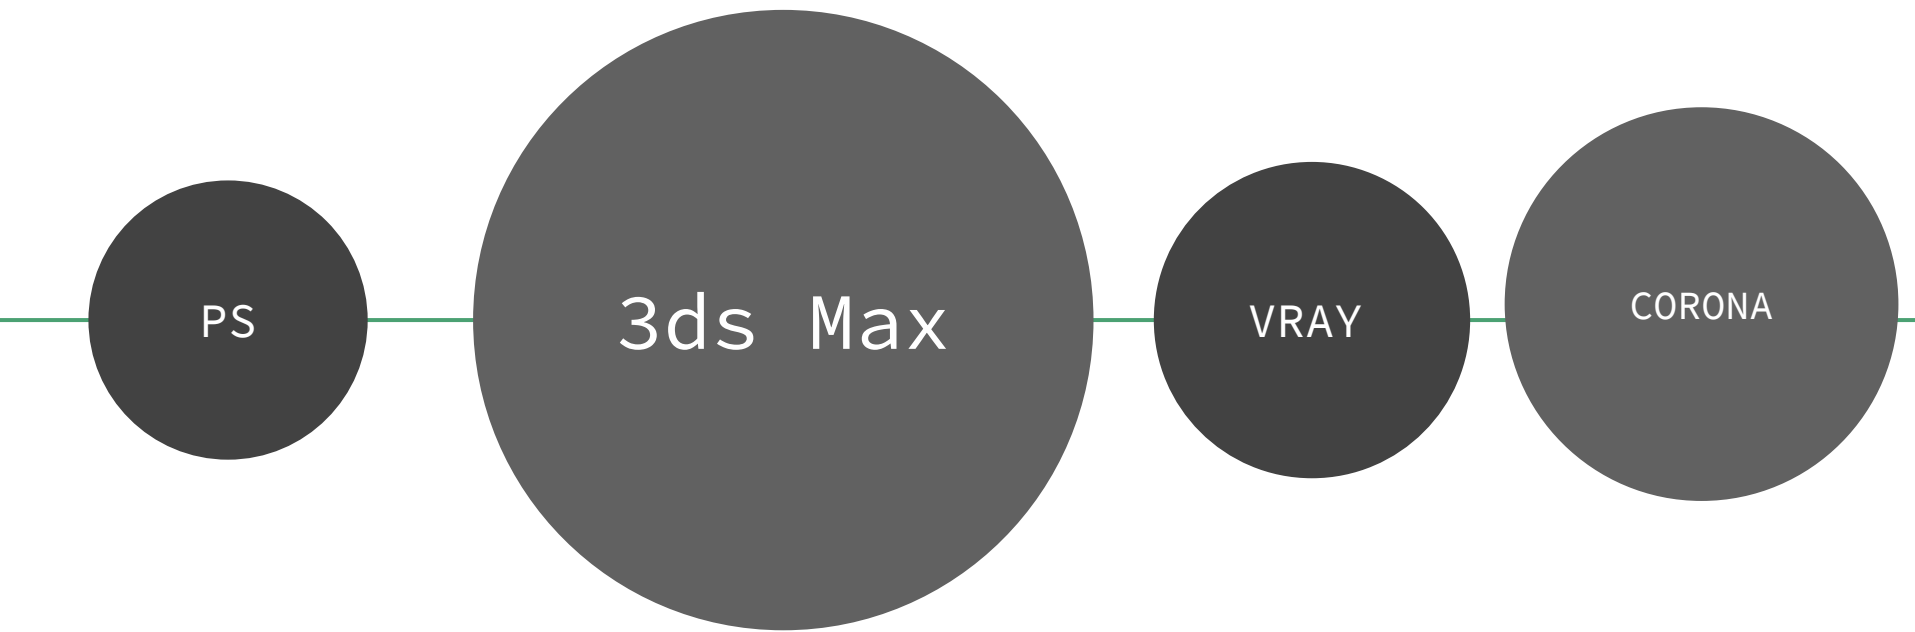

Skills & expertise

VR Tours
