## UNDERGRAD STUDENT

SHAHJALAL UNIVERSITY OF SCIENCE AND TECHNOLOGY

I'm completing my BSc Major on Mathematics and Second Major on Computer Science and Engineering here. Through this journey, I have successfully completed courses on several programming languages (JAVA, C, Python, Fortran), database management, basic networking, software development for androids and data structure management.

## WORK EXPERIENCE ||

## CENTRAL COMMITTEE MEMBER

BANGLADESH GROUP THEATRE FEDERATION : 2018 - DATE

Bangladesh Group Theatre Federation is the biggest organization of all the theatre groups in Bangladesh. In every three years, a new committee is formed through an election, I was elected as a central committee member of the 2018 -2020 executive committee of the federation. My role requires that I create, develop and execute marketing strategies for the member groups of the federation and perform as a team leader sometimes.

## MARKETING CONSULTANT

TITHIDOOOR, SYLHET : 2017 – DATE

Tithidoor is a photography and event management group from Sylhet. I'm one of the founder members of this brand, and initially started as a marketing consultant here. My role requires that I create, develop and execute marketing strategies for the Company's clients, including online and offline campaigns. I am also required to ensure that all marketing support materials are up to date and in line with each client's agreed brand guidelines, which include website materials, social media accounts, online brochures, presentations and proposal templates. Besides, I'm one of the core photographers of Tithidoor photography team.
