

## Data entry

Stefan was a carpenter. He was living in a village. His mother died a long time back. His aged father, Mikal, lived with Stefan. Mikal was very weak. He could not even walk well. He was so weak. It was because of Stefan did not give him enough food. He had given his father a small earthen plate. Even a small quantity of rice in the plate appeared to be much. Stefan was a bad man. He was a drunkard also. After taking drinks, he abused his father badly.

Stefan had a son. His name is Vishal. Vishal was just ten years old. He was a very good boy. He loved his grandfather. He had great respect for his grandfather. He did not like his father's attitude and character because his father was treating his grandfather cruelly.

One day Mikal was eating his food out of earthen plate that his son had given to him. The earthen plate fell down. The plate broke in pieces. The food fell on the floor. He was very angry with his father and used very harsh words to abuse his father. The old man felt bad about what happened. He was sorry for his mistake. Stefan's words wounded him very deeply.

Stefan's son, Vishal, saw this. He did not like his father. His father was ill-treating his grandfather. He was afraid to speak against his father. He was sad about his grandfather. But he was not very powerful to stand in support of his grandfather.

The next day Vishal took some of his father's carpentry tools and a piece of wood. He worked with the tools to make wooden plate. His father saw him working.

"What are you making, Vishal?" he asked.

"I am making a wooden plate!" replied Vishal.

"A wooden plate! What for?" asked his father.

"I am making it for you, father. When you grow old, like my grandfather. You will need a plate of food. A plate made from earth may break very easily. Then I may scold you severely. So, I want to give you a wooden plate. It may not break so easily".

The carpenter was shocked to hear this. Only now he realized his mistake. His father was kind to Stefan he looked after Stefan very well. Now, he was old. Stefan was treating his father severely. Stefan was now very sad about his own behavior. He realized his mistakes. He then became a different person.

From the day, Stefan treated his father with great respect. He gave up drinking too. Stefan learnt a lesson from his own so.

You should honor your parents at all times. It's your duty. It brings you their blessings.
