Our creatives are successful because
It's less about us, but more about clients.
Visual expressions that stand the test of time.

With more than Ten years of experience in the feild of creative advertising, our clients spread across India and UAE believe this is the place where their brands grow naturally...

Our Services:

Corporate Branding
Creative Advertising

beyond branding

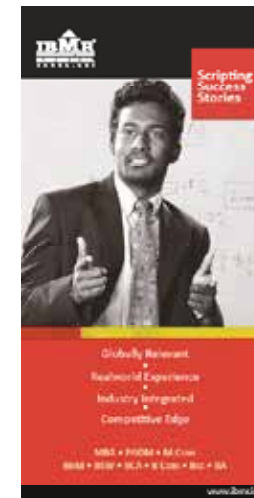

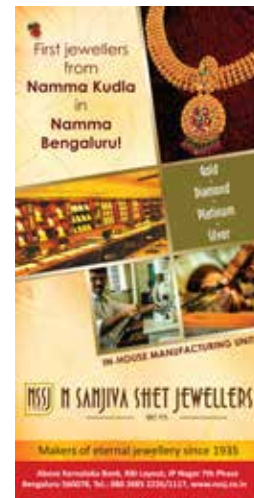

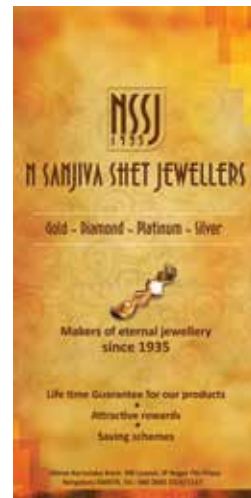

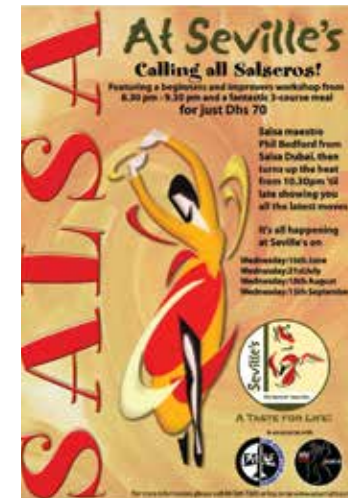

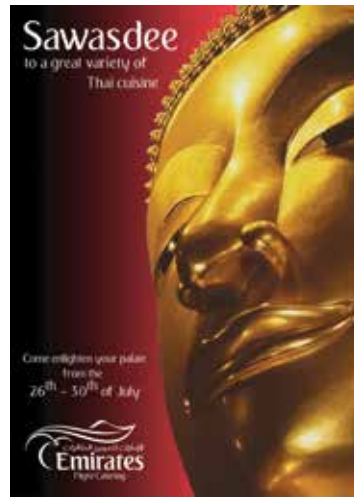

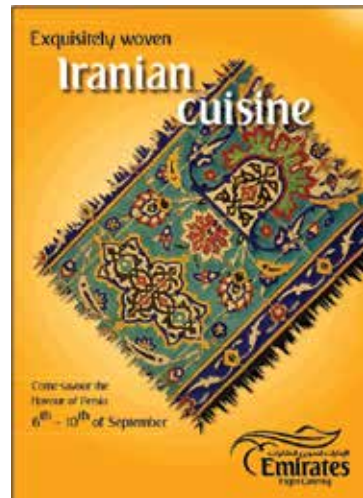

We believe **visibility** is the beginning of all great **communications**. To us, **creativity comes with a strong responsibility**, because we want every business to realise that Advertising is an **Investment not an Expense**. With over 10 years experience in the industry our service always **exceeds client's expectations**.

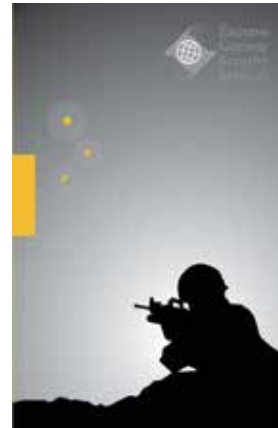

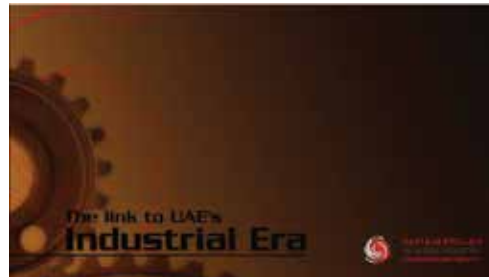

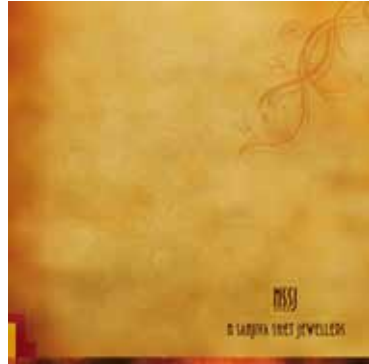

Simplified, effective visual communications Simplified, effective visual communications Simplified, effective

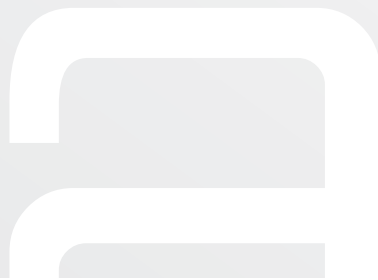

Designs created with purpose and strategy

Stand apart from the croud, inviting actions Stand apart from the croud, inviting actions Stand apart from

We have the **best talents** in industry, **big ideas**. come let's work together to grow your brand heigher... **beyond branding**
