

Hello,

This is with reference to your job posting for instructional designers. I have a total of 13 years of experience in the field of learning, with 7 years as an independent instructional designer. I am currently pursuing my Masters in Education Technology from Universite Cote d'Azur in Nice, France. I believe that my experience and skills make me a suitable match for your current job requirement.

I am looking for remote/contractual opportunities as an instructional designer while completing my course.
