My name is Aishath Shanasa Shiyam. I am a student finishing my bachelor's degree in Interior Architecture at Limkokwing University from 2015-2019. I provide services in Photoshop, Illustrator, 3D as a freelancer.

I love to explore in all fields of inspiration beneficial to my career to keep the creative flow constantly moving and improving with a curious interest for travel, nature and life, I wish to embark on journeys that push me to learn as challenges are overcome.
