

**I'm Nikitha** -Interior designer.

Good Buildings come from good  
people and all problems are solved  
by GOOD DESIGN.

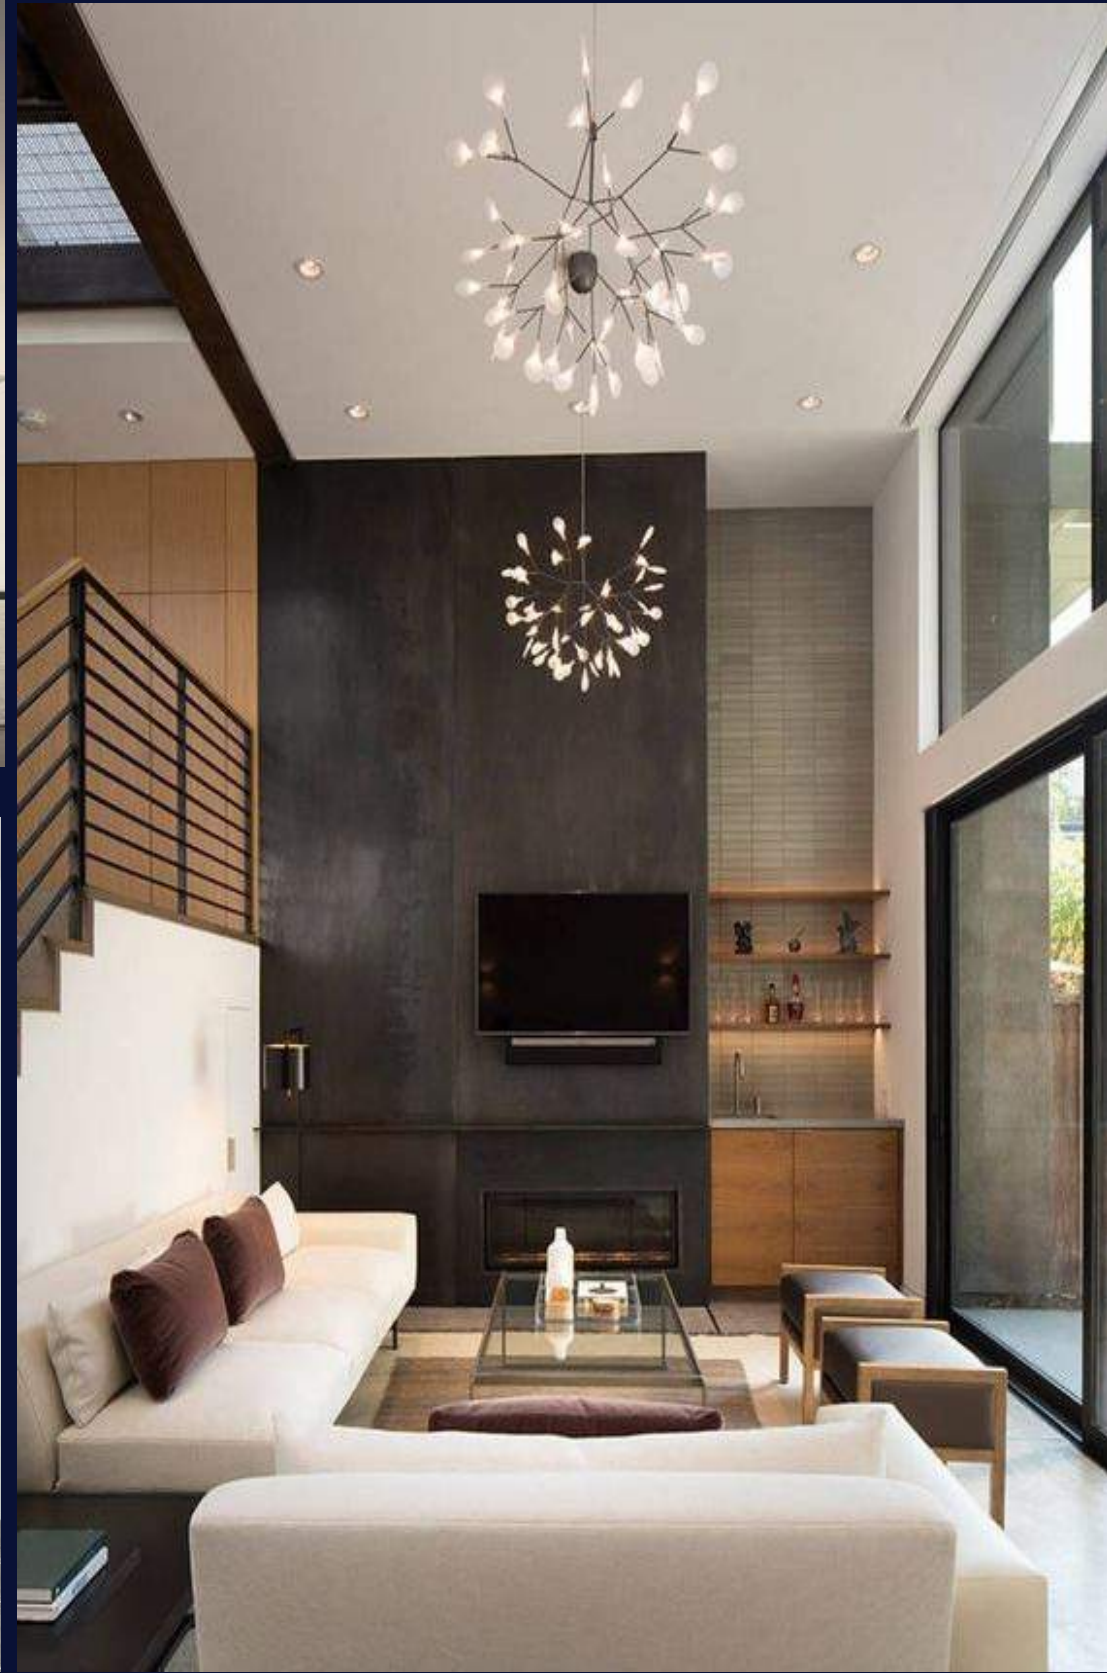

*DESIGN*

is not just what it looks like

*DESIGN*

is how it works.

Making the best possible use of available SPACE.

Organization is not about perfection, its about efficiency, reducing stress and clutter.

- Visual Appeal
- Assembly of components
- Intelligent use of space
- Upgraded Appliances
- Convenience Factor

When you have all the things you need in one place with impeccable organisation, then cooking becomes a joy rather than a chore.

Home should tell the story of who you are, and be a collection of what you love.

As a young and evolving designer , I work with both residential and commercial settings,drawing upon their knowledge aesthetics, to enhance the look of space. I have best design specialty to best meet the needs of clients. I will design a desired look and feel through the requirements. I am capable of clearly communicating and working with different personality types being a good listener to give the BEST and CREATIVE DESIGNS.
