Match Plan

Match Plan is the best tool for Professional and Amateur soccer/football coaches, because it allows them to communicate ideas, strategies, formations and tactics, using their iPads, in an intuitive way. All plans can contain several tactics that are stored under two coherent groups, allowing coaches to quickly access important information during a match. And because it mimics real life objects, drawing players, teams, balls, movement lines, cones and markers, has never been easier.

Category : Sports

iTunes URL : http://itunes.apple.com/in/app/match-plan/id446211564?mt=8

Alter Image (Image processing app)

Alter Image is one of the best photo cropping and easy image altering app for all. It is simple to use and provides great user experience to play with images.
