### GROUP TRAVEL

Let us take the stress of planning group trips away like we have done for many of our customers. **BOOK NOW!** whether your next group trip is planned for six weeks or six months, our experience shows that it's better to get the ball rolling sooner rather than later.

### INSURANCE

We believe that safety and enjoyment are equally important when travelling with 3A Travel. We therefore strongly advise that you have adequate travel insurance in place before you travel with us. 3A Travel works in partnership with Cornerstone Insurance, to provide our travellers with travel insurance policy that has been specifically designed to meet their requirements whilst on their trip.

#### Policy benefits include:

- Cover for the specific activities you will be partaking in during your trip
- Cover from 1 day up to a year available
- 100 sports and activities covered as standard
- Cover for students
- Cover for travellers aged 16-65 years

3A Travel can include insurance within your overall trip cost to ensure you have sufficient cover should the worst happen while you are away. Your travel consultant will ask you about this during the initial enquiry handling process and will provide a quote based on your requirements.
