ABOUT ME

As a child the union between nature and its buildings always connected deeply with me, This unbounded love for the connection between nature and man's building led me to the path i have now come to love despite this the terrain has not always been smooth yet architecture and its challenges and has enabled me to evolve myself in so many ways. I am detail-Oriented with 6 years experience in designing and executig plans and designs in both 2D and 3D that unites perfectly with its surroundings. Above all i am more eager to learn from anyone and anywhere

CENTRAL APARTMENTS. 01

CENTRAL PARK APARTMENTS

CENTRAL PARK APARTMENTS DESIGN SEEKS TO INTEGRATE THE OCCUPANTS WITH NATURE DIRECTLY LEANING TOWARDS SUSTAINABLE GREEN ARCHITECTURE AS WELL AS CREATING A NATURAL CROSS VENTILATION SYSTEM TO VENTILATE EVERY SPACE.

THIS STRUCTURE IS SET TO CONTAIN 50 APARTMENTS EACH CONTAINING A BEDROOM,LIVING LOUNGE, DINING, KITCHEN,BALCONY.THE LAST FLOOR OF THE STRUCTURE ACCOMMODATES THE VIP SUITE .

IN CREATING THIS DESIGN SEVERAL REQUIREMENTS WERE NEEDED TO ENSURE THIS STRUCTURE SERVED ITS PURPOSE NOT JUST TO ITS SURROUNDINGS BUT TO ITS OCCUPANTS.THESE INCLUDED AESTHETICS, FORM,VENTILATION, ORIENTATION,HEIGHT RANGE OF STRUCTURES IN THE ENVIRONMENT AND MATERIALS USED
