Touch tanks is an arcade game about tank battles. Let's play the game for [App Store](#) and [PlayStore](#).

The image shows a game selection screen for a tank named "Boom Tank". At the top, there is a star icon and a title bar containing the text "Boom Tank". Below the title bar, a central panel displays a detailed illustration of a green tank with a soldier in an orange helmet. This tank is flanked by four black silhouettes of other tank models. At the bottom of the screen, there is a yellow "SELECT" button and a "RESTORE PURCHASE" button with a circular arrow and dollar sign icon.
