3D DRWAING

3D MODEL

PROJECT TITLE: BEDROOM

A typical bedroom inside the residential unit is mixed with classic and modern design with the ceiling and architectural setup. The main colour for this style is brown, black, white, grey, and blue shades.

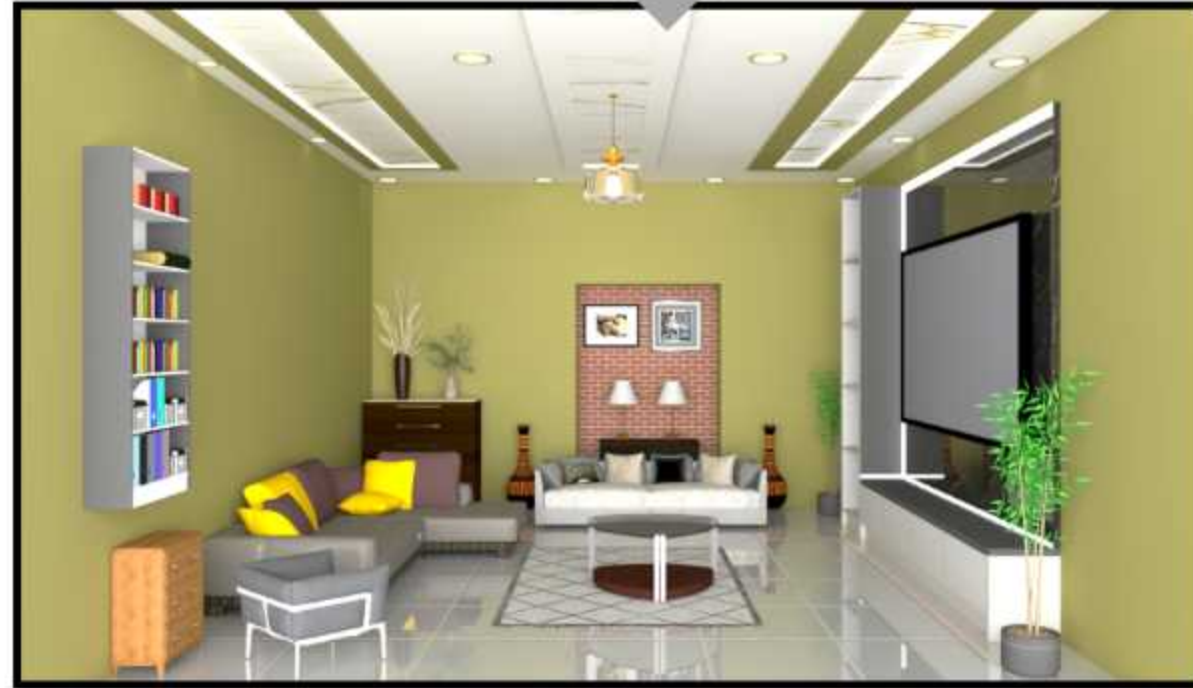

PROJECT TITLE: KITCHEN SET

Warm shades of arsenic green and off-white combine to create a comforting, inviting atmosphere for the kitchen.

PROJECT TITLE: LIVING ROOM

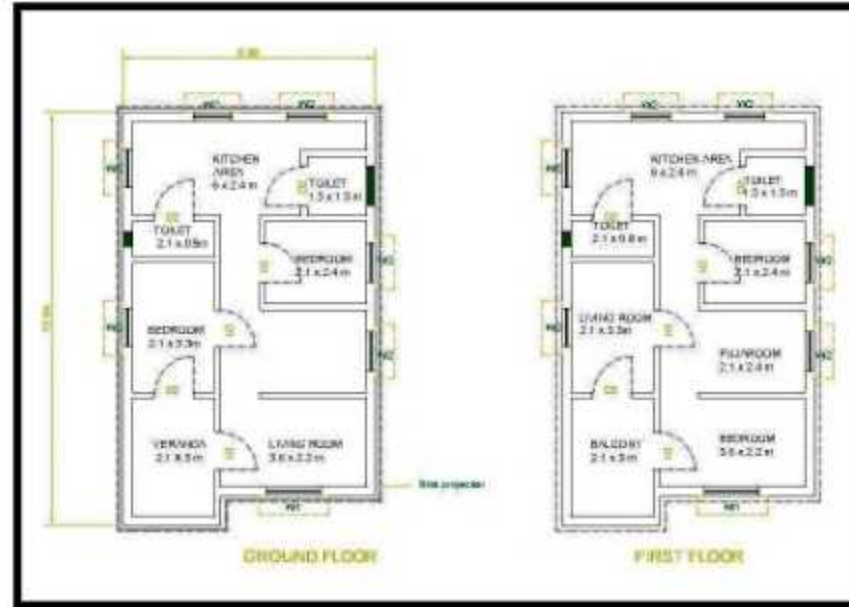

Modern design is a trend, especially for those whose main focus is the function of their home and their love for nature and simplicity.

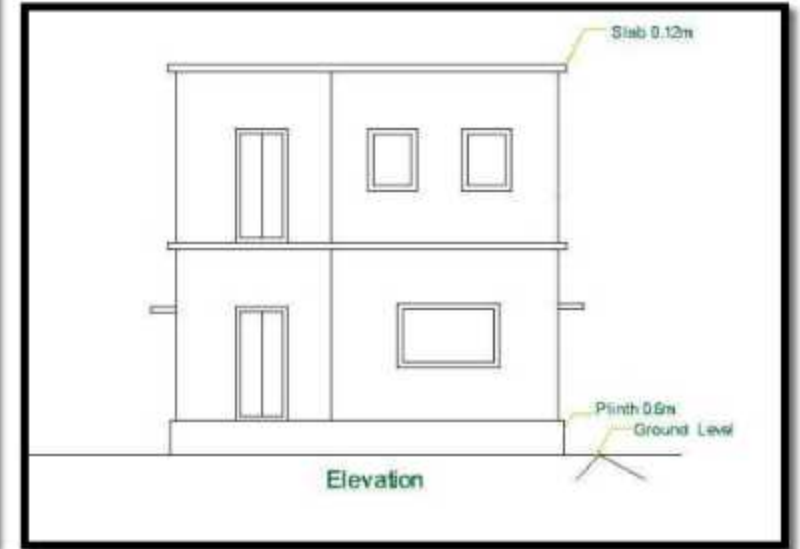

02 RESIDENTIAL PROJECT 2

A residential independent unit of 750 square feet plot with exterior 3D, interior 3D, the elevation of the unit and floor layout
