To,

The Director,
Institute of Numerical Sciences,
Kohat University of Science & Technology.

SUBJECT: Approval of the course Research Methodology-(MATH-581)

Dear Sir,

With all due respect, it is stated that I have registered **Research Methodology (MATH-581)** in “**KCMS**”¹ as a core subject in **M.Phil.** But the status is still pending, means the course has not been approved yet.

So, it is requested to approve my course. I shall be very thankful to you.

Thanks!

Yours sincere
