

# Aniket Pande

Content Writer, Yoga Teacher

I started writing when I was in class 4th and never stopped. My main genre was and remains poetry. I like the whole rhyme and rhythm part of it. Writing in English has been my all-time favourite and I also write in Hindi. I have travelled the length and breadth of this country and have climbed some mountains as well. While travelling continuously and staying far away from civilization and connectivity, mostly in the high mountains of Ladakh, Spiti and Manali region, I was constantly visited by the feeling that I should dedicate my time, my life towards writing and here I am, meeting you.
