- Digital Graphics

EXPERIENCE

VECTOR GRAPHIC SPECIALIST, 06/2022 - Current
Jose Ornamental Supply, Bakersfield, California

Image-to-Vector Specialist

As an Image-to-Vector Conversion Specialist proficient in CorelDRAW, I specialize in transforming raster images into precise and scalable vector graphics. My work extends to various applications, including engraving, laser cutting, Glowforge designs, stencils, fabrication projects, architectural models, jewelry making, educational aids, custom packaging, prototyping, and art/craft projects. I ensure the preservation of artistic details and meet industry standards. With efficient use of CorelDRAW, I deliver high-quality vector graphics within specified timelines, contributing to the success of diverse projects.

Proficient in product image manipulation, CorelDRAW, and handling vector files. I craft designs that captivate.
