

PROFILE

I am a software engineer and recently finished my graduation by scoring '3.7 CGPA'. To some extent, I have been a web developer as well and developed few websites for international clients.

I am also a telemarketer for few years and had a lot of good experience in Customer Support and Customer Services by working on multiple outbound and inbound projects.

Organization served:

- Axiom BPO
- Mars BPO
- Touchstone BPO
- Telebridge BPO
- UpNexa LLC (New York)
- Corsto LLC (New York)
