

ESTRADA, JETHRO REUEL A.

Address: #5 Aurora Pijuan St, BF Resort, Las Piñas

Phone: 0915-989-7270

Email: jethroestrada237@gmail.com

Birthday: Dec. 1, 1990

Current Job: Mobile developer working from home

Summary

Experienced mobile app developer using React Native with a track record of success in developing and deploying to App Store and Google Play Store. I can work independently and also comfortable working with a team of developers.

Recent mobile projects

Red-E

- P2P pickups, drop-offs and events tracker that uses real-time background geolocation, geofence push notification triggers and Google maps.
- Sole developer
- Built with React Native for UI / UX. Backend services are created using Firebase modules: Firestore, Cloud Functions, SSO Authentication, Analytics, Dynamic Links, etc.
- Currently on Testflight and scheduled to go live by the end of October

EZ Myoma

- Progress tracking app for women suffering from uterine fibroids. Record daily notes in the calendar concerning menstrual cycles. Provided with automated charting UI and generated pdf reports to help your doctor see your progress
- Lead mobile developer
- Available on Android and iOS
