Message from CEO

To all valued dgs employees,

"Your excellence drives our success"

As I look at the growth over the years since our inception, I am extremely proud of what we have achieved, and even more excited about our future. Thank you for all your hard work and efforts. I am humbled by the opportunity to work with such talented individuals that have the ability to accomplish so many things.

In this issue, you will get insights on the recent achievements of the company, success stories, team building activities and other growth initiatives. The purpose is to bring dgs employees together and help them provide insight into areas of the company that help contribute to our success.

Be proud of what you've achieved in our journey so far, and I hope you remain motivated by a strong sense of purpose for what is still to come.

Sincerely,
 Jeff Cox
