*Held October 2015 - April 2016 is presented to*

**Hisham A. Nassar**

In recognition of your exemplary performance interpreting extremely complex scientific subjects in CWMD defense training provided by the U.S. Department of Defense. Your expertise in translation during this training event significantly enhanced the development of Hashemite Kingdom of Jordan's Countering Weapons of Mass Destruction capacities and capabilities. Your participation was critical to the overall success of the JALS mission.

CHARLES A. PRYDE, GS-14  
Chief, Partner Nation Capabilities Branch
